

Ambergate Primary School

2022/2023

Ambergate School is a Derbyshire Local Education Authority Primary School for day pupils aged four to eleven. The school is able to admit twelve rising fives/five year olds in 2022/23.

The school was first opened on 13th June 1898. We celebrated our 100th birthday on the 13th June 1998 by purchasing a Centenary clock for the front of the school.

Co- Chairs of Governors: Mrs. Liane Marsh, c/o Ambergate Primary School
Mr Phil Mulchincok, c/o Ambergate Primary School

Clerk to Governors: Mrs. Jo McHugh, c/o Ambergate Primary School

Welcome

Welcome to Ambergate Primary School's prospectus, we hope you find all of the information you are looking for and that the prospectus will give you an insight into the life at our wonderful school. Further information can also be found at <https://www.ambergateprimaryschool.co.uk/>

Ambergate Primary School is a place of discovery. Our aim is for all children to **achieve** in all they do, **believe** in their talents and help **create** a learning community for all. We provide an excellent learning environment rooted in our core values:

Be Honest

Be Caring

Be Determined

Be Respectful

Be Humble

Be Responsible

Be Brave

We strive continually at the school to provide learning of the highest quality, which is rooted in a rich curriculum, enabling pupils to experience a breadth of learning opportunities both inside and outside the classroom.

Ambergate Primary School enjoys the benefits of being a small village primary school, whilst being part of the Belper Cluster Collaboration. We work collaboratively with other schools in the group, sharing practice and resources. Our school also prides itself on retaining its own autonomy.

Year on year the school has achieved high standards of attainment in English and maths. Children leave the school well above the national expectation for reading, writing, and maths.

We have qualified specialist teachers on site that teach high-quality PE, French, and music across the school. Our after-school activities also provide a vast range of sports experiences.

Our aim is to recognise and nurture each child's individual talents, we want pupils at Ambergate to have memorable lifelong learning experiences. Our school is a very special place, we have amazing teachers and support staff, a wonderful site, and as a result, pupils are engaged, enthusiastic and proud of their school.

Our Ethos and Vision

We are committed to providing every child with full access to a broad and balanced curriculum so that each individual can achieve their potential in an atmosphere of collaboration and mutual support and respect.

This vision will be achieved at Ambergate Primary School by helping the children to:

- Develop a **positive attitude** to school and learning.
- Experience **encouragement** and **success** to enhance self-respect.
- Develop **confidence, interest, initiative** and **responsibility**.
- Learn to **work together** with adults and peers to gain the **skills, knowledge** and **attitudes** needed in a rapidly changing world.
- Communicate effectively in a variety of forms.
- Participate in a wide range of **physical, sporting** and **creative** activities which enrich their **appreciation of life**.
- Understand and develop **British values** such as tolerance, respect for the views of others and an awareness of religious and moral values.
- Acquire an **environmental awareness**, fostering a caring attitude to the world around them.

Our Core Principles

At Ambergate Primary School we have Seven Core Principles, which guide us in all we do and enable us to achieve our vision:

Be Honest

We always tell the truth. We can be trusted to be honest, to say what we mean and to do what we say.

Be Caring

We care for others, do good things that benefit others and remember that the world does not exist for us alone.

Be Determined

We always work hard to be the best that we can be in all aspects of our lives.

Be Respectful

We always respect others, even if their beliefs and opinions are very different to our own. We consider other people's feelings in everything that we do.

Be Humble

We try to be the best we can be without showing off and we encourage others to be the best they can be, without criticising their efforts.

Be Responsible

We accept responsibility for what we say, what we think and what we do.

Be Brave

We do the right thing, even when it is hard. We stand up for what is right and we help each other to overcome our fears.

The Staff Team

Headteacher

Mrs Howell (Safeguarding Lead, Assessment, Geography, History and RSE Coordinator)

Business Assistant

Mrs Horsman

Teachers

Miss Knight - Class 1 (EYFS Lead and Science Coordinator)

Mrs Turner - Class 2 (Senior teacher, Maths and PE Coordinator, SENCO and Deputy Safeguarding Lead)

Ms Bostock - Year 4 mornings (Art and Design Technology Coordinator)

Mr Allen - Class 3 (English, Music, RE and Computing Coordinator)

Other Teaching Staff

Mr Younger - PE teacher

Mr West – PE teacher

Mr Jones - Brass teacher

Mrs Schumann - French teacher

Teaching Assistants

Miss Hall - Class 1 (HLTA and Forest School Practitioner)

Mrs Radage- Class 1

Mrs Boucher - Class 3

Miss Julian - Class 2

Mrs Jones - Year 4

Mrs Robertson - Class 3

Miss Fantom - Class 3

Midday Supervisors

Miss Julian

Mrs Boucher

Mrs Radage

Mrs Fantom

Facilities Manager

Mr Kelby

Teaching Groups

Ambergate Primary School currently consists of three and a half classes. Each class has mixed aged groups.

Class 1- Reception and Year 1

Class 2- Year 2 and Year 3

Class 3 Mornings - Year 5 and Year 6 are taught together, Year 4 are taught separately

Class 3 Afternoons- Years 4, 5 and 6

This model has been in place for the last year and we aim to for it to continue. However, predicting the make-up of classes from one year to the next is a very imprecise activity. Birth rate, house moves etc. mean that the numbers in each year group can fluctuate and in a small school such as ours this has consequences for all classes. As a result, it is usually late in the summer term before classes for the following year are finalised. Decisions are based on age.

Behaviour Management

The caring attitude that is shown throughout the school is the basis from which we expect good behaviour from the children. Honesty, thought for others, fairness, good manners and respect for other people's property are qualities that we encourage and value within the school community.

We aim to encourage good standards of behaviour in school by having clear expectations backed up by a balance of rewards and sanctions within a positive community atmosphere. We believe that people perform best when

- Their needs are being met
- They understand what is expected of them
- Everyone is responsible for their own behaviour.

Good behaviour is reinforced through a reward system which includes individual, group and whole class rewards. As well as these we have weekly special assemblies where children who have been particularly well behaved, kind and helpful are acknowledged, closely linked to our core principles.

Please read our behaviour policy which gives further details on how we support our children. <https://www.ambergateprimaryschool.co.uk/behaviour-policy-1/>

Bullying is not tolerated. Our school has clear and well publicised systems to report bullying for the whole school community (including staff, parents/carers and children) this includes those who are the victims of bullying or have witnessed bullying behaviour (bystanders)

- Children: Children will be taught to tell an adult immediately if they think anyone is being bullied or if they are the victim of any type of bullying.
- Parents/carers: Listen to what they have to say–try not to ask them leading questions. Make an appointment to see their class teacher to explain the problems your child is having.
- All staff and visitors: Discuss with the child's Class Teacher. Class Teacher will escalate to the Anti-bullying Lead (Carly Howell)

Our full Anti-bullying policy is available here:

<https://www.ambergateprimaryschool.co.uk/anti-bullying-policy-1/>

Advice for children designed by our current pupils is available here:

<https://www.ambergateprimaryschool.co.uk/anti-bullying-advice/>

School Hours

The School Day is 9am - 3.30pm.

Doors open at 8.45am

Lunchtime: 12.00 - 1.15pm

Morning break is 15 minutes

Afternoon break is 15 minutes (Class 1 only)

Attendance

Regular and punctual school attendance is important. Pupils need to attend school regularly if they are to take full advantage of the educational opportunities available to them by law. Ambergate Primary School fully recognises its responsibilities to ensure pupils are in school and on time, therefore having access to learning for the maximum number of days and hours.

In September 2013 the Education (Pupil Registration) (England) (Amendment) Regulations 2013 came into force. These regulations make it clear that Headteachers should not grant approval for any leave of absence during term-time, including holidays, unless there are exceptional circumstances. These regulations also state that holidays cannot be authorised retrospectively.

Any requests should be on an official school absence request form and handed into the school office for consideration two weeks prior to any holiday/leave

arrangements being made. You may be issued with a Penalty Notice should leave be taken which is not authorised. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996.

Arriving at School

The staff are available from 8.45am onwards and are usually to be found in their classrooms where they will have been preparing for the day. Children should arrive at school no earlier than 8.45am when the doors will open and there will morning tasks to complete in the classroom. Many parents use this time up to give the class teacher short messages. However, we do ask parents to bear in mind that this is a busy time for staff and both the teacher and children need to be ready to begin the day without interruption at 9 o'clock. If you do need to speak at more length, it is always a good idea to fix a mutually convenient time so that you can have more privacy and the teacher's undivided attention.

Registration

Registration is limited to five minutes daily. We are required by law to record lateness and provide reasons for this, so please ensure your child arrives promptly at 9 o'clock.

Your help is essential for a calm and orderly start to the day.

Please could you :-

- Make sure your child is in school at the appropriate time
- Pay dinner money on the first day of the week using Parent Pay
- Please be patient if there are a number of people waiting to see the teacher.
- Please sign the "In/Out" book if you bring your child after the register has been taken or if you collect your child before the end of the school day.
- If your child is unwell or cannot attend school for any reason, please ring the school office before 8.30am. Please state your child's name, class and reason for absence. If we have not received a phone call, we will contact you to ascertain why your child is not in school as part of our safeguarding duty.

End of the Day

The children in Class 1 are escorted onto the playground by their teacher. The children in Class 2 leave by the main front door and Class 3 by the junior door. All children are handed over to the collecting adult. If your child is to be collected by someone other than the person he/she usually goes with, please let us know beforehand. For safeguarding reasons, we will not let a child leave with another adult without prior parental permission. If you have an older child whom you wish to walk home alone, please provide written consent.

If you have a last-minute problem and cannot meet your child please try to ring school. We are always prepared to help out in an emergency, however, we cannot provide long term child care facilities after school.

Please explain your child's home time arrangements to them very carefully. This helps them to relax and feel secure during the day. In the past, there have been the odd occasions when children have been left in school at home time unsure about who should be coming to pick them up. This is upsetting for the child and leaves the teacher with a difficult situation to resolve.

The procedures for arriving and leaving school usually run very smoothly and there is generally time for an informal chat and a chance to hear the children's news at the end of the day.

Because parking outside school is very limited please be aware of children and of parking across the driveways of our neighbours or on the yellow zigzag lines.

Parents

Home/school links

We have always had a committed group of parents who have helped with sewing, hearing readers, helping in the library, spotting at the swimming baths, baking and helping on school journeys.

Although we are a small school, your child will have plenty of adults to help care for them and enable us to offer a wide range of learning situations.

We hope that you will feel encouraged to come in and help. Perhaps you have skills and talents that would add to our provision. If so, we would greatly appreciate your contribution.

We hope that you will come along and get involved in activities that interest you. Discos, Summer B.B.Q., Concerts etc, provide opportunity for parents to meet the staff on a social basis. We send out regular newsletters to keep you informed of events in school. The 'Friends of Ambergate School' Association is very active and details of their meetings and events are publicised. Your support and participation would be very welcome.

Medical Information

It is important that the school is informed of any medical matters, eg. hearing loss, poor eyesight, allergies, illness etc. so that staff can be advised and suitable provision made available when your child is in school. If your child has a medical condition, including asthma, we ask that you complete a medical form so we have detailed information of the care your child needs.

Medicines

County Policy on medication is that these should not be administered in school. If children need medicine which must be administered during the school day eg. where they have been prescribed four times a day, we prefer parents to come into school to see to their own child. However, we also recognise that this is not always possible. If you need your child to administer their own medicine at school, please complete a medicines form available from the office. Any medicines sent to school must have the prescription label on with exact dosage clearly marked.

Please read our policy <https://www.ambergateprimaryschool.co.uk/administration-of-medicines/>

Inhalers

If your child has an inhaler then please take time to come into school to talk with the staff about when and how this should be used. Several children in school use

inhalers, however, we do find that each case is slightly different. We welcome you giving us all the information that you can to help us to care for your child appropriately. Inhalers are never locked away. Please remind your child that when they go out of school on a visit, even a short walk to the recreation ground, they should take their inhaler with them.

Accidents and Illness

Minor cuts and bruises are dealt with by a member of staff. Should an accident require more than first aid we attempt to contact a parent and if necessary arrange for the child to be taken to hospital. We always ensure that a sick or injured child is accompanied by a responsible adult until parents are traced. It is very important that we are kept up-to-date with contact numbers of people to contact in an emergency.

Medical Inspection

Dr. Hobday is our school doctor. Medical screening is normally arranged for your child during their first year in the infant class. You will be informed of all medical inspections.

The School Nurse

The school nurse does still come into school to screen children for hearing, sight, weight and height in Reception and weight and height in Year 6. Parents should note that these are just screening tests. If you do have concerns about your child's hearing or sight then you are advised to seek full testing from your doctor or optician. There are no longer inspections for head lice in schools. Parents are advised to check their child's hair regularly but please do not use head lice shampoo on a preventative basis. Always check with the doctor, clinic or pharmacist as to the current most effective treatment.

Teaching in Small Schools

All primary school teachers are trained to work with all ability classes. We recognise that each child has different strengths and weaknesses and that all children progress and learn at different speeds. Age and attainment do not always go hand in hand. The learning opportunities we present to the children are geared wherever possible to their individual needs. We use a range of teaching methods to do this.

Sometimes the children will be required to work individually on a task that has been set specifically for them.

Your child will also be required to work in group situations with other class members who need to learn the same skills or knowledge. When children are working in this way, they will also be developing their skills in collaboration and cooperation.

At other times the whole class will be set the same task, however, the class teacher will expect different results according to the ability of the individual child. An example of this is in creative writing lessons. Children may be given the same theme or title as a starting point for their writing, however the teacher will encourage each child to produce work at their own level of attainment.

To help us to make sure that your child is progressing records are kept and each child has their own profile. We praise and encourage success at every level. We want your child to be proud of their personal achievements and to learn to support and encourage their friends.

You will receive an annual written report in July, a summary report in December and you will be invited to two parent consultations each year. Please don't feel that you have to wait for parent's evening to discuss your child. If at any time you are concerned about their work or any aspect of school life, then please make an appointment to see or speak to the class teacher.

Assessment/Testing

The children in Ambergate have taken part in National Standard Assessment Tests for both 7 and 11 year olds. (If your child is in this age group you will be invited to a meeting to discuss arrangements for these tests which take place in May each year.) Your child's results will be on their annual report and whole group results are published in the Annual Report to Parents. Latest assessment results can be found in on the school website. All children from Reception onwards are also tested at set points of the year to monitor progress in reading and mathematics.

The Curriculum

Our aim is to provide a broad and balanced curriculum for the children using relevant and, wherever possible, real experiences to assist the learning process. For all children there is a planned progression of work.

Since September 2020, we have been implementing a new approach to our curriculum. During the Autumn Term, the whole school will be Historians and each class will have their own History topic. During the Spring Term, the whole school will be Geographers and each class will have their own Geography topic. During the Summer Term, the whole school will be artists and designers and each class will have their own creative topic. Science will continue to be taught weekly throughout the year. Our morning structure continues to consist of Maths, English, Guided Reading and Phonics.

We want our curriculum to be:

- Engaging
- Connected
- Thought provoking
- Child-centred
- Inspiring
- Broad
- Supportive
- Achievable
- Full of opportunities

So that our children will be:

- Creative thinkers
- Citizens of the world
- Confident to express their thoughts and opinions
- Involved and enthusiastic about their learning
- Curious
- Confident
- Optimistic

Each topic has carefully chosen concepts, which will encourage the children to think more deeply about the world around them. The concepts will be used as a thread across the different subject areas and will be subject of class discussions and debates.

Please see the curriculum page of the school website, which provides further information on the subjects and topics your child will cover.

Class 3 take part in the Wider Opportunities programme with the Derbyshire Music Partnership who teach the children how to play a brass instrument. They also have the opportunity to play with the Halle Orchestra in the Summer term. We also work with peripatetic teachers who offer lessons for guitar and drums.

Class 1 experiences weekly 'Welly Wednesday' visits to the local woods supported by Sarah Hall (HLTA) who is our Forest School Practitioner. Miss Hall also takes smaller groups of children during the week for Forest School.

Special Educational Needs

If we feel a child is having a particular difficulty with either learning or behaviour we would always share these concerns with parents as soon as possible.

The 'Code of Practice' ensures that children who are having problems are monitored systematically. If it is felt appropriate and agreed upon by staff and parents we are able to call on the Educational Psychologist and the Primary Support Team to provide expert help. If you require any other information on our Special Needs provision you are very welcome to come in and talk to us.

Charges for School Activities

A small contribution to the cost of some practical activities is occasionally requested. This is mainly for cookery and sewing. We try to keep this to a minimum. We also organise visits to various places such as museums, theatres etc. where this is appropriate. Occasionally we have visitors in school to work with the children. We are not allowed to charge for these as they are part of the curriculum we offer to all our children. However, we do ask for a voluntary contribution to cover the cost, as we would otherwise be unable to include these activities which add significantly to the children's education. We are always grateful for parents' support in these matters.

Educational Visits/Activities during School Hours

Educational visits involve the children in active learning opportunities and help to widen their experience in an interesting and enjoyable way. Sometimes children are taken to places of interest that are within walking distance of the school such as the

local woods. On other occasions, when a day or part day visits requiring transport are organised, we rely on your support to help us to meet the cost of travel and any charges for admission. Schools are only allowed to ask for voluntary contributions for school journeys. We are grateful for the response we get to this because without these contributions we could not continue to organise such visits. The school tries to keep costs as low as possible.

Derbyshire County Council has public liability and Third Party Insurance cover. The Governors of Ambergate School have taken out extra personal accident insurance for pupils at this school. This policy provides cover for all school activities.

Relationships and Sex Education

Relationships and Sex Education is defined by the PSHE Association as 'learning about the emotional, social and physical aspects of growing up, relationships, sex, human sexuality and sexual health'. This content is delivered in an age appropriate way in our school with regard to the age and stage of pupils.

The aim of Relationships and Sex Education in our school is to equip children and young people with the information, skills and values they need to have safe, fulfilling and enjoyable relationships and take responsibility for their health and wellbeing.

We recognise the central importance of relationships in supporting children and young people's mental health and wellbeing, academic achievement and future success. We aim to put in the key building blocks of healthy respectful relationships, focussing on family and friendships, in all contexts, including online.

Our programme also aims to support pupils in their personal development with regard to attributes such as kindness, integrity, generosity and honesty. These approaches support our wider work of building resilience in our pupils.

In Ambergate Primary School, we deliver age appropriate sex education as an integrated part of our PSHE programme. We recognise the prevalence of information and attitudes about relationships and sex that children and young people are exposed to and aim to provide an environment where they can receive reliable information about their bodies, and feel comfortable to ask questions, rather than turn to inappropriate sources. We take a rights based approach to relationships and sex education.

This will include developing self-esteem, the skills to manage relationships and most importantly keep themselves safe in all their relationships.

Research has shown that young people who feel good about themselves, and are knowledgeable and confident about relationships and sex, are more likely to be discerning in their relationships and sexual behaviours and to have fulfilling relationships.

Full details are available in our policy:

<https://www.ambergateprimaryschool.co.uk/relationships-and-sex-education-policy/>

Further information about PSHE, including resources for parents, is available:

<https://www.ambergateprimaryschool.co.uk/pshe/>

Complaints

If parents have a complaint about their child's schooling, they should raise it with the class teacher or Headteacher. However, there is a special procedure for dealing with complaints about the school curriculum including religious education and collective worship. If you have a complaint or query you should contact the school so that the matter can be discussed with the Headteacher. It is expected that the majority of questions and anxieties can be dealt with in this way. However, if complaints cannot be resolved, then a formal procedure involving the Governors and the LEA can be invoked, a copy of which can be obtained on the school website

(<https://www.ambergateprimaryschool.co.uk/policies/> at the bottom of the page), from the school office or your local Area Education Office.

Homework

Children learn best when school and home work in partnership. Your active support will make a difference to both the level your child achieves and to their attitude to school in general.

Children take home reading books and library books on a regular basis from the time they enter school. Do please find a quiet time to look at these with your child. Your interest and enthusiasm can provide positive motivation.

Details of what to expect at each stage is available here:

<https://www.ambergateprimaryschool.co.uk/homework-policy-1/> However, extra formal work is not the only way that you can support your child and the school. In

developing a fully rounded individual with an enquiring mind interesting visits, hobbies, craftwork, membership of clubs etc. all contribute to their education.

OFSTED Inspection

All Schools are inspected by the Office for Standards in Education on a regular cycle. An inspection of Ambergate was carried out in March 2022 and a full copy of the Inspection report is available here <https://reports.ofsted.gov.uk/provider/21/112786>

School Clothing and Equipment

At Ambergate Primary School we have a dress code which is as follows:-

Plain sweatshirts * – Red or Navy

Plain polo shirts – White, Red or Navy

Plain trousers, skirts, pinafores, shorts – Grey, Black or Navy

Checked or plain dress – Red or blue

Plain socks/tights

Black school shoes

Loopwear

Clothing embossed with the school logo can be found at <https://loopwear.co.uk/find-your-school/ambergate-primary-school> . This supplier was formally children's Choice of Belper.

We request that all school clothing (indoor and outdoor) be **clearly labelled with the child's name**. In the winter, it also helps if children have a peg to clip together wellingtons, sorting 30 pairs of identical un-named wellingtons can be very time consuming!

Shoes

We have steps to one side of our building and a slope at the other so it is very important that children wear sensible, black footwear, with flat heels.

Decorative Items

Such items are best kept for out of school wear. Accidents can happen and items can be damaged or lost. The wearing of jewellery can be an unnecessary burden to the child and the teacher. Wristwatches can be worn but these are the responsibility of the child.

In line with the Physical Education Adviser's Guidelines, we request that earrings, including sleepers, are not worn on P.E. days. Experiences throughout the County indicate that the wearing of earrings in PE lessons can result in very nasty accidents.

Art and Craft

Providing an old shirt for your child to wear in Art and Craft lessons can save a lot of spoilt clothes and tears.

Physical Education

Specialist sports coaches support our delivery of PE lessons throughout the week. These lessons may take place on the school grounds or at Ambergate Cricket Club. We are members of Amber Valley School Sports Partnership. Amber Valley School Sports Partnership is a charity which represents the community of Amber Valley and surrounding areas to raise participation in Physical Activity and Sport. We take part in organised competitions and training opportunities throughout the year.

PE Kit

A plain white t-shirt

Plain black or blue shorts (or black leggings)

Plimsolls or trainers.

We will be outside for PE as much as possible. If the weather is cold, children may wear plain jogging bottoms and a jumper.

Plimsolls are essential for indoor P.E. as trainers are not sensitive enough and can be dangerous.

All P.E. equipment should be labelled and kept in a bag which can be hung on your child's coat peg. It is useful if this is brought on the first day of the week and taken home each weekend. This ensures that equipment is in school when required. Children must have appropriate clothing for P.E. We cannot provide P.E. clothing when children forget to bring their own and they will miss P.E. lessons if no suitable clothes are brought.

School Dinners

Our meals are prepared at St Elizabeth's School Kitchen and delivered to the school's serving kitchen. The lunch consists of two courses with a choice of main or vegetarian meal on request. A glass of juice or water is provided with the meal. If your child requires a special diet please discuss this with us so that suitable arrangements can be made. Children are encouraged to eat properly and use good table manners.

School meals cost £2.20 per day, £11.00. per week. Please use Parent Pay to pay for your child's dinners.

If you feel that your child may be entitled to free school meals please ask at the office for details and an application form. Free school meals are the right of families who have limited income and should be taken up.

Packed Lunches

If you would like your child to bring a packed lunch, supervision is provided in one of the classrooms. To accompany the packed lunch a drink may be brought in a plastic container, flask or carton. Glass bottles should not be brought as they are a hazard to your child and others in school. Drinking beakers can be provided.

It is necessary for us to book lunches two weeks in advance. Therefore, it is essential that we have two weeks notice of any changes from dinner to sandwiches, or sandwiches to dinners.

Everyone looks forward to a playtime after lunch. The three mid-day supervisors stay with the children. When the weather is fine bats, balls, skipping ropes etc. are provided for the children on the yard. For wet lunchtimes, there are board games and craft activities. We want lunchtimes to be a pleasant experience for everyone.

Ambergate Out of School Club

Session times and fees

Before School – 7.50am – 8.45am Monday to Friday during term time £4.50

After School – 3.30pm to 6.00pm Monday to Thursday during term time £8.00

Before using the Club for the first time:

- Complete a Registration Form for each child and return it to a member of staff or email it to info@ambergate.derbyshire.sch.uk

- Book places for the sessions you require for the half term.
- We will also take bookings on an ad-hoc basis if you don't need any regular cover or if emergency cover is required.

For a copy of the Registration Forms please e-mail the Club at: info@ambergate.derbyshire.sch.uk, ask at the School Office or see the Out-of-School Club area of the School website.

Contact numbers:

Ambergate Primary School: 01773 852204

e-mail: info@ambergate.derbyshire.sch.uk

Please note that our staff only work until 6pm and a late collection fee of £5 will be charged in respect of the after school club if your child is not collected by 6.00pm.
